Abstract:	The NCNM library is an academic library serving a granduate medical school with three programs: two masters level programs in classical Chinese medicine, and one doctoral level program in naturopathic medicine. The library has approximately 16,000 volumes, with extensive collections in Chinese medicine, naturopathic medicine, homeopathy, botanical medicine, nutrition, physicial medicine, hydrotherapy, and other areas relevant to its curricula. The library is open to the public, but does not extend borrowing privileges to public patrons.
Holdings:	The library has a 1,500 voume rare book room that includes mostly 19th century materials (books and journals) covering the fields of homeopathy, hydrotherapy, naturopathy, and nature cure. The library also has a small digital archive of scanned materials from the rare book room; the URL is http://content.ohsu.edu/cdm4/index_nmhc2.php
Collection Subject Strengths:	History of Homeopathy; History of Alternative Medicine
Other Collection Subject Strengths:	History of Chinese Medicine
